Denotes required questions. Note: Some other questions may be required depending on previous responses.

21. Will the team lead/main contact attend the four I-Corps workshops?*
    ○ Yes
    ○ No

22. Team member #2:*
    First name:
    Middle name/initial:
    Last name:
    Preferred name:
    Email address:

23. How is team member #2 affiliated with the University of Chicago? (please pick the one that best describes current role)*
    ○ Faculty
    ○ Alumnus
    ○ Student
    ○ Post-doc
    ○ Staff (Researcher)
    ○ Staff (Non-researcher)
    ○ Unaffiliated with the University of Chicago

24. What university division/school/office is team member #2 affiliated with? (Check all that apply) *[If affiliated with UChicago]*
    ❑ Argonne National Laboratory
    ❑ Biological Sciences Division
    ❑ Center for Data Intensive Science
    ❑ Chicago Booth
    ❑ Chicago Lab High School
    ❑ Chicago Law
    ❑ College
    ❑ Computation Institute
    ❑ Fermilab
    ❑ Graham School
    ❑ Harris School
    ❑ Humanities Division
    ❑ Institute for Molecular Engineering
    ❑ Physical Sciences Division
    ❑ Social Sciences Division
    ❑ Other _____

Denotes required questions. Note: Some other questions may be required depending on previous responses.

25. Which Chicago Booth program is team member #2 affiliated with? *[If a student or alumnus with Chicago Booth]*
    - ○ Full-time
    - ○ Evening
    - ○ Weekend
    - ○ Executive
    - ○ Ph.D.

26. What is team member #2's highest degree attained or expected degree in progress at UChicago? *[If an alumnus or student at UChicago]*

27. What is team member #2's UChicago graduation year or expected graduation year? (highest degree attained) *[If an alumnus or student at UChicago]*

28. What is team member #2's CNET ID? Please provide this, it is important for program enrollment. (CNET ID overview) *[If affiliated with UChicago]*

29. What organization is the main employer for team member #2? *[If unaffiliated with UChicago]*

30. What is team member #2's current job title?*

31. Will team member #2 attend the four I-Corps workshops?*
    - ○ Yes
    - ○ No

32. Do you have any additional teammates?*
    - ○ Yes
    - ○ No

33. Team member #3:
    First name:
    Middle name/initial:
    Last name:
    Preferred name:
    Email address:

Denotes required questions. Note: Some other questions may be required depending on previous responses.

34. How is team member #3 affiliated with the University of Chicago? (please pick the one that best describes current role)
    - ❍ Faculty
    - ❍ Alumnus
    - ❍ Student
    - ❍ Post-doc
    - ❍ Staff (Researcher)
    - ❍ Staff (Non-researcher)
    - ❍ Unaffiliated with the University of Chicago

35. What university division/school/office is team member #3 affiliated with? (Check all that apply) *[If affiliated with UChicago]*
    - ❑ Argonne National Laboratory
    - ❑ Biological Sciences Division
    - ❑ Center for Data Intensive Science
    - ❑ Chicago Booth
    - ❑ Chicago Lab High School
    - ❑ Chicago Law
    - ❑ College
    - ❑ Computation Institute
    - ❑ Fermilab
    - ❑ Graham School
    - ❑ Harris School
    - ❑ Humanities Division
    - ❑ Institute for Molecular Engineering
    - ❑ Physical Sciences Division
    - ❑ Social Sciences Division
    - ❑ Other _____

36. Which Chicago Booth program is team member #3 affiliated with? *[If a student or alumnus with Chicago Booth]*
    - ❍ Full-time
    - ❍ Evening
    - ❍ Weekend
    - ❍ Executive
    - ❍ Ph.D.

37. What is team member #3's highest degree attained or expected degree in progress at UChicago? *[If an alumnus or student at UChicago]*

38. What is team member #3's UChicago graduation year or expected graduation year? (highest degree attained) *[If an alumnus or student at UChicago]*

---

*Denotes required questions. Note: Some other questions may be required depending on previous responses.

39. What is team member #3's CNET ID? Please provide this, it is important for program enrollment. (CNET ID overview) *[If affiliated with UChicago]*

40. What organization is the main employer for team member #3? *[If unaffiliated with UChicago]*

41. What is team member #3's current job title?

42. Will team member #3 attend the four I-Corps workshops?
    ❍ Yes
    ❍ No

43. Do you have any additional teammates?
    ❍ Yes
    ❍ No

44. Team member #4:
    First name:
    Middle name/initial:
    Last name:
    Preferred name:
    Email address:

45. How is team member #4 affiliated with the University of Chicago? (please pick the one that best describes current role)
    ❍ Faculty
    ❍ Alumnus
    ❍ Student
    ❍ Post-doc
    ❍ Staff (Researcher)
    ❍ Staff (Non-researcher)
    ❍ Unaffiliated with the University of Chicago

46. What university division/school/office is team member #4 affiliated with? (Check all that apply) *[If affiliated with UChicago]*
    - ❑ Argonne National Laboratory
    - ❑ Biological Sciences Division
    - ❑ Center for Data Intensive Science
    - ❑ Chicago Booth
    - ❑ Chicago Lab High School
    - ❑ Chicago Law
    - ❑ College
    - ❑ Computation Institute
    - ❑ Fermilab
    - ❑ Graham School
    - ❑ Harris School
    - ❑ Humanities Division
    - ❑ Institute for Molecular Engineering
    - ❑ Physical Sciences Division
    - ❑ Social Sciences Division
    - ❑ Other _____

47. Which Chicago Booth program is team member #4 affiliated with? *[If a student or alumnus with Chicago Booth]*
    - ○ Full-time
    - ○ Evening
    - ○ Weekend
    - ○ Executive
    - ○ Ph.D.

48. What is team member #4's highest degree attained or expected degree in progress at UChicago? *[If a student or alumnus at UChicago]*

49. What is team member #4's UChicago graduation year or expected graduation year? (highest degree attained) *[If a student or alumnus at UChicago]*

50. What is team member #4's CNET ID? Please provide this, it is important for program enrollment. (CNET ID overview) *[If affiliated with UChicago]*

51. What organization is the main employer for team member #4? *[If unaffiliated with UChicago]*

52. What is team member #4's current job title?

Denotes required questions. Note: Some other questions may be required depending on previous responses.

53. Will team member #4 attend the four I-Corps workshops?
    - ⭕ Yes
    - ⭕ No

54. Is there anything else about your team you would like us to know?

55. If you have any additional teammates beyond four, list them below. (first name, middle name, last name, preferred name, email address, CNET ID if applicable) *[If you have more than 4 teammates]*

56. If you would like to share further information about your teammates or your idea, please upload resumes, documents, or presentations (as a single PDF), here. This opportunity is optional and has been provided for your convenience. You are not required to create a presentation for this application. *[PDF upload]*

The Polsky Center I-Corps program is supported by funding from the National Science Foundation (NSF). Participants will be required to attend program sessions, complete required assignments, use funding according to program guidelines, and submit a final report on activities and accomplishments to the Polsky Center. Applicants will receive further information about these requirements upon acceptance into the program.

57. Please sign below to indicate you understand and agree to the requirements and expectations of the program, then hit "Submit Application." Your application will not be received if you do not click "Submit Application."*
