

# POLSKY FOUNDERS' FUND FELLOWSHIP (PF3)

The Polsky Founders' Fund Fellowship (PF3) is a resource available to graduating University of Chicago students who are committed to growing a company after graduation. The goal of the program is to provide entrepreneurs with funding to sustain momentum on ventures.

## WHO SHOULD APPLY?

The fellowship is open to all UChicago students completing either undergraduate or graduate degree programs. Eligible applicants are those who plan to work on their startups as their main professional activity after graduation. Applicants who have accepted and/or deferred job offers will not be eligible for PF3. The Polsky Center expects to award up to 7 fellowships.

## RESOURCE PACKAGE:

Each fellow accepted into the program is provided with:

- **Funding:** Each individual accepted into the fellowship will be provided with \$24,000 in the form of a Simple Agreement for Future Equity (SAFE), which is paid out to an incorporated entity in quarterly intervals of \$6,000 over a period of one year.
- **Polsky Coaching:** Fellows will benefit from a continued relationship with the Polsky Center through quarterly coaching check-ins.

## ELIGIBILITY:

In order to qualify, an applicant's business should be at a point where it has received credible traction and the entrepreneur must demonstrate that he/she is fully committed to working on the business for the foreseeable future.

Applicants should have:

- An incorporated business
- A live product/service and/or customers
- A full-time focus on their startup venture (minimum 40 hours per week)
- A Chicago-based business (preferred)
- Good academic standing with a 2.33 GPA or better
- A graduation date between December 2018 and December 2019

## INFORMATION SESSION:

Spring 2019 quarter

## APPLICATION DEADLINE:

Early June 2019
