

**THE UNIVERSITY OF CHICAGO**

# SCIENCE INCUBATOR

Powered by Portal Innovations  
and the Polsky Center

**The UChicago Science Incubator enables early-stage science and technology startups to translate ideas into commercial opportunities.**

**Access to Shared  
Equipment & Amenities**

**22,000 sq. ft.**

**Life Sciences, Quantum, Clean  
Energy, and Data Science**

The incubator is located in Hyde Park Labs, a state-of-the-art 303,000-square-foot facility near the University of Chicago's main campus and medical center.

Powered by [Portal Innovations](#) and the [Polsky Center for Entrepreneurship and Innovation](#), the incubator provides access to a network of industry partners, sponsors, and investors.

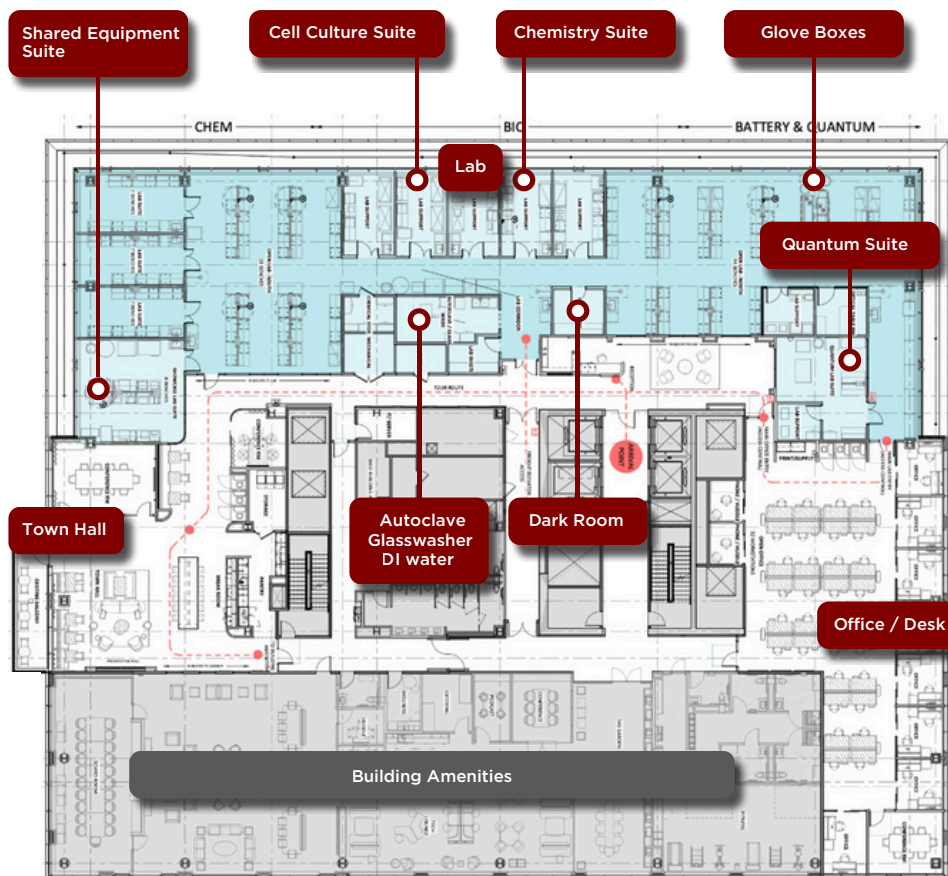

**You can grow here.**
